RENTAL INFORMATION

Sundown RV offers a wide variety of rentals. Our units are all NON-smoking.

GENERAL INFORMATION

- Three days is the minimum rental period.
 - Four days minimum on all holiday weekends
 - Five days for Thanksgiving
- No Towing behind any rented unit
- Most of our units do not come with a generator. However generators are available for rent.
- No insurance coverage provided
- No smoking or pets allowed in rented units at any time.
- Do not use regular toilet paper - use biodegradable only. It can be purchased at our parts store.
- Awning use is restricted
- No out of state or country travel under any condition

Lack of compliance will result in forfeiture of security deposit and/or minimum charge of \$500.00

AGE REQUIREMENTS

All RV drivers must be at least 25 years of age or older and have a valid California Driver's License. All renters for trailers or Motorhomes must also be at least 25 years of age or older.

AVAILABILITY

The company's availability to provide a rental unit is contingent upon and subject to its return by the previous renters and any other causes beyond the company's control. If for any reason beyond the company's control, the unit reserved is not available, the company reserves the right to substitute for another unit. Should another unit not be available, the company's ability will be limited to refund off all the refundable money (deposit) paid by the customer.

DRY CAMPING

Dry camping is not advised. When the renter is dry camping (not connected to an external power source), problems will most likely arise due to low battery or battery failure. The battery will continue to stay low until renter is connected to an external power source. SUNDOWN RV is not responsible for battery being low or any appliance malfunctions of the unit due to dry camping. No reimbursements will be given for "dry camping" malfunctions.

TRAILER TOWING REQUIREMENTS

The following equipment is required. SUNDOWN RV can install on most models. Please ask for price for each installation. Please schedule an appointment prior to pick-up time to avoid any further delays.

- 2 or 2 5/16 ball (ask which size ball is needed when making reservations)
- 7-way plug for hook up
- Brake Control

Make sure the weight of the trailer can be pulled by your vehicle minimum class III receiver hitch. Tent trailers - not all tent trailers need brake control - ask your sales rep if yours needs it when you make your reservations.
